PROFESSIONAL FEES AND CANCELLATION POLICY

Spiritual Counseling/Mentoring	\$85 - \$125 per one-hour session
Group workshops	\$25 - \$50 per session (1½ to 2 hours)

Because I want to serve individuals, couples, and families seeking help regardless of financial situation, my professional fees are on a sliding scale. It is important that you pay what you can, but I do not want my services to be unavailable due to my fee schedule. If you have financial issues to discuss, please let me know. I value open, frank, and professional conversation.

We will discuss an agreed upon fee amount at the time we schedule your first appointment or workshop. I ask that you plan to pay that amount at each session, unless otherwise discussed ahead of time.

The courtesy of a 24-hour notice for cancelation is appreciated; otherwise I will ask you to pay for the cancelled or missed session. You may leave a voicemail message, day or night, if you need to reach me.
